

- Call for sites, with this hyperlink <http://www.lakedistrict.gov.uk/planning/call-for-sites>

We have received a total of 290 site suggestions (including existing allocations) for consideration for various uses. Our intention is to assess and filter out the majority of sites. As part of this process, our Members will be making informal visits to the sites across the Park in September and October before making a decision as to their approval in late 2017.
