

Dear Applicant

RECRUITMENT OF A CHAIRPERSON

Thank you for your interest in the Lake District National Park Partnership and the role of Chairperson. I enclose some information about the role and the Partnership which I hope you find useful.

The Lake District National Park Partnership is an established group of leading organisations that have a role to play in realising the shared Vision for the Lake District National Park. In 2016, we celebrated 10 years of working together. A lot has been achieved, but there is a lot more to do. We want to see the next 10 years characterised by a step change in delivery on the ground, securing new funding streams through visitor giving and charitable donations and working together more effectively for the benefit of our communities, visitors and businesses.

If you would like to apply for the role of Chairperson, please send a short CV and covering letter to hr.services@lakedistrict.gov.uk no later than **12 noon on Monday the 14th August**. Your covering letter should clearly explain how you meet our requirements, why you think you would be an effective Chairperson and what you would bring to the Partnership.

For an informal discussion please call Steve Ratcliffe on tel: 01539 792622.

All applications will be considered by a panel of representatives from the Partnership. Short-listed candidates will then be asked to attend an interview with the panel. It is likely that interviews will take place on the 8th September, although this will be confirmed.

Thank you once again for your interest and I look forward to hearing from you.

Yours sincerely

Liz Davey
Partnership Manager

The Lake District National Park Partnership is a group of organisations working together to realise a vision. In 2030, they would like the National Park to have a prosperous economy, world class visitor experiences and vibrant communities – and all sustaining the spectacular landscape.
