**Personal Interests**

You have a personal interest if the issue being discussed in the meeting affects the well-being or finances of you, your family or your close associates more than most other people who live in the Lake District National Park.

Personal interests are also things that relate to an interest you must register.

N.B. If the personal interest arises because of your membership of another public body, you only need to declare it if you intend to speak.

A personal interest should be declared as follows:

> I have a personal interest in agenda item [...] regarding the report on [...] because I am [...].

**Personal and Prejudicial Interests**

If you have a personal interest in a matter you will also have a prejudicial interest in that matter if the interest is one which a member of the public, with knowledge of the relevant facts, would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest. If you have a personal and prejudicial interest you must withdraw from the meeting room for that item, unless you are there to make representations and the public have the same opportunity to do so.

N.B. You only have a prejudicial interest if the matter

- affects your financial position or that of your family, close associate, employer etc or it
- relates to a regulatory matter.

A personal and prejudicial interest should be declared as follows:

> I have a personal and prejudicial interest in agenda item [...] regarding the report on [...] because I am [...].

Advice on this can be sought from staff in the Member Services or Legal Services. Members are requested to seek advice, wherever possible, before the meeting starts.

Please remember that the completion of this form does not exempt you from the need to declare interests orally at the relevant meeting.
